In and Around Jeffersonville High School

A Place for Us . . .

With our school year coming to an end, we pause to look back upon the friends and happiness we have had. This year has been filled with many experiences which we shall never forget. Searching for that individual place we grasped the keys to the treasure chest of smiles, sorrows and dreams that we locked away in this book. In later years while turning these pages of the 1970 Topic we hope you will recall many fond memories of the years spent in Jeffersonville High School where our classmates, our friends and our teachers made

Summer Fades Away—a New Year Begins

(Above) Seniors, Keith Reiter and Doug Stubblefield walk across the front lawn. (Below) Juniors register and receive their schedules. (Left) With the ending of summer, yearbooks arrive.

Summer's light-hearted living becomes a drag and one looks forward to school again . . . new schedules, new teachers, new classmates. It's that time of year again . . . welcome back.

Lost souls wandering the corridors are known as "crickets", not green freshmen. The knowledgeable upper classmen stroll to class, but always arrive on time . . . No stragglers needed. The seeds of inspiration, wisdom, love, and challenge are sown early . . . a new year, a new beginning, a beautiful future.

Enjoying Art Is the Key to Appreciation

(above) Creating masks is fun, especially when Mrs. Annette Swann encourages the art class.
(left) Art Club sponsored by Mr. George Engel exhibits Jeff's Red Devil in parade.

The appreciation of art, music, and literature has been introduced early in the elementary school. Exploring these areas at the junior high level may uncover talent and a love for our cultural heritage. The art classes at Jeffersonville High School offer self-expression to many students. This ability to create one's own thing, label it, and show it is a wonderful experience. Throughout the year teachers, students, and visitors are amazed at the art exhibits hung in the main hallway near the library. Imagine the thrill to see one's water color, charcoal, or oil painting on display. The beautification and appreciation of art welcome all who share these projects by its changing panorama.

At the final Parents-Teachers Associational meeting, the traditional theme has been "Jeff High in Review." Art work done in both Mr. George Engle's classes and in Mrs. Annette Swann's cheerfully greet all who attend. The art awards are presented at this event. Winning ribbons help viewers evaluate the beauty and creativity of our own students.

"The spirit was great! We won the game 27-8 and Linda Winnett captures the title of 1969 Football Homecoming Queen!"

Heading the organization of Homecoming week was junior Yvonne Vissing. With 25 floats entering for competition, the procession was discovered to be the biggest ever. For the first time the community added a float to the parade.

The week of hurried preparation came to a close at a dance sponsored by the P.T.A. and a week of cleaning up decorations followed.

Heated Pep Rallies,

With only one afternoon practice and with the coaching of Rod Swearingen and Mike Robinson, the juniors romped over the seniors 20-12. The seniors, coached by John Blois, were limited to two touchdowns, as the juniors led all the way.

After the powder-puff game, players and students joined the Devil fans at a victory bon-fire which boosted the spirits of all who anxiously awaited the Jeff-New Albany game.

Above: Capturing the lead in a play calls for a lot of dedication, practice, and talent. Starring in "Annie Get Your Gun" was Tom Fox and Laurie McKee. Featured dancers in "Annie Get Your Gun" were Cindy Reed and Helen Whitler.

With the success of "Annie Get Your Gun," Student Theatre soon got underway for the performance of "A Charlie Brown Christmas Package," presented to several schools in Clark County. "This will be a special effort of Student Theatre as a Christmas present to all children and people of the community," said Mr. Jack Wann, director.

In the play "A Charlie Brown Christmas Package", Terry Hamilton was Schroeder and Becky Snider played Lucy.

Devils Win Basketball Homecoming 75-65

The 1970 Basketball Queen was selected in a different manner than ever before at J.H.S.

The queen could be chosen from all class representatives instead of having it limited to a senior candidate.

Candidates were Lou Ann Carroll, Stacey Friend, Freshmen; Debbie Isler, Connie McIntyre, Sophomores; Shelley Friend, Becky Leitch, Sharon Rogers, Juniors; Susan Condra and Pam Rudd, Seniors.

That night at halftime Jeffersonville Captain, Bob Watkins crowned Pam Rudd as queen. Joe Hill escorted Pam.

Another highlight was the homeroom door decoration contest. Mr. James Becker's fourth hour class won the contest.

Jeff also won that night over the Bloomington Panthers by a score of 75-65.

After the game, there was a dance at Ewing Lane with music by the "Incomparable Celtics".

Enthusiasm and Victories Reign at Sectional

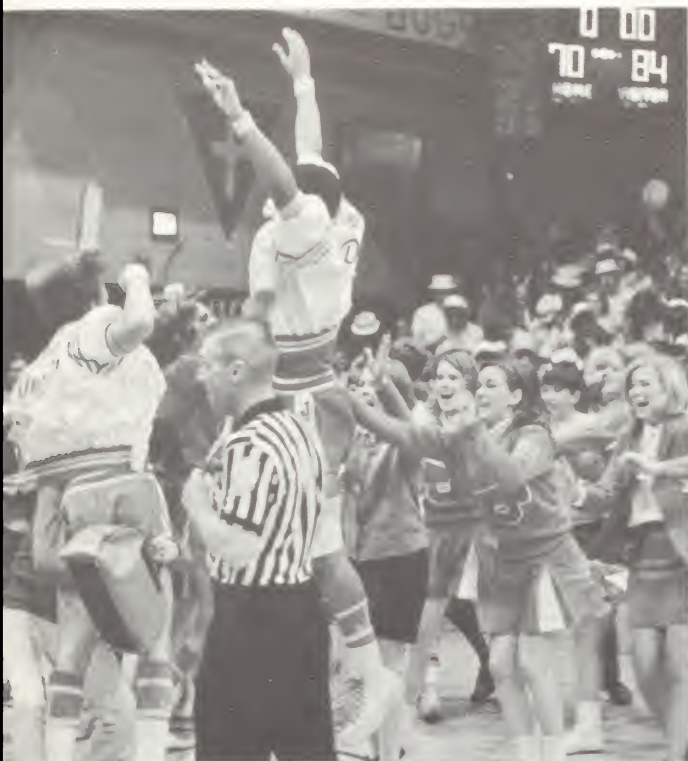

After defeating Floyd Central 95-74 and Providence 83-66,, Jeff went on to capture the 1970 Sectional crown by defeating the New Albany Bulldogs by a score of 84-80.

It was typical battle between Jeff and New Albany. We had revenge for the Bulldogs because of an earlier 73-71 loss to them on their own floor.

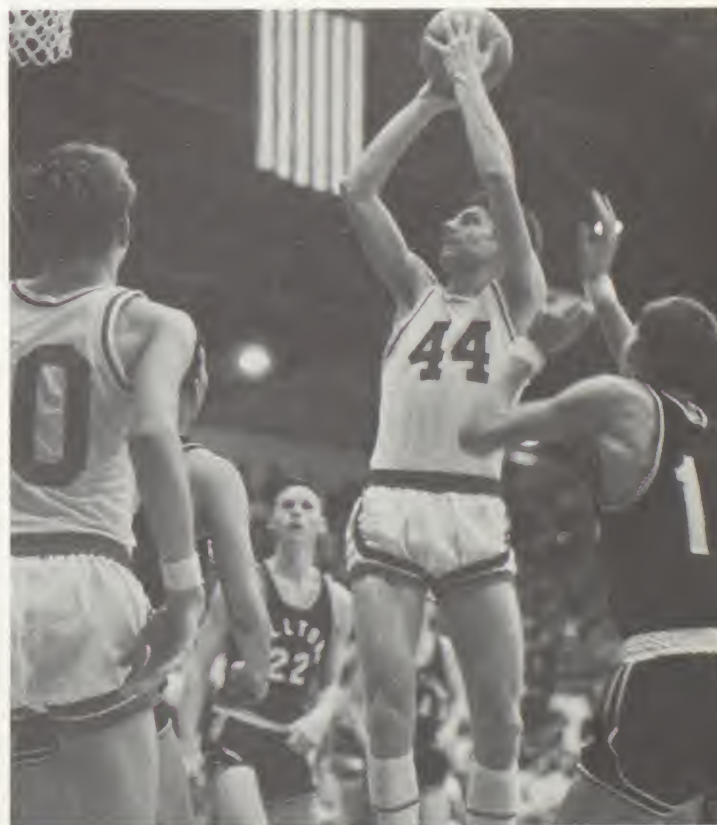

Mike Flynn was leading scorer for the Red Devils with 31 points. Bob Watkins had 17, Steve Flynn and Dale Richardson each had 14.

Jeff also was seeking revenge against the Floyd Central team because of an 86-83 loss earlier in the year. Watkins was high man in that game with 34 points. Flynn had 29.

In the Saturday afternoon game, Flynn set a sectional tournament record with 43 points against the Providence Pioneers. After the game he claimed only to have a slight headache.

(Above) Happiness is an 84-70 sectional victory over arch-rival New Albany as shown by these players, cheerleaders and fans. (Below) 7-0 is on the go—and many excited Jeff students prove it at the 1970 sectional.

One Step at a Time, But Always Forward

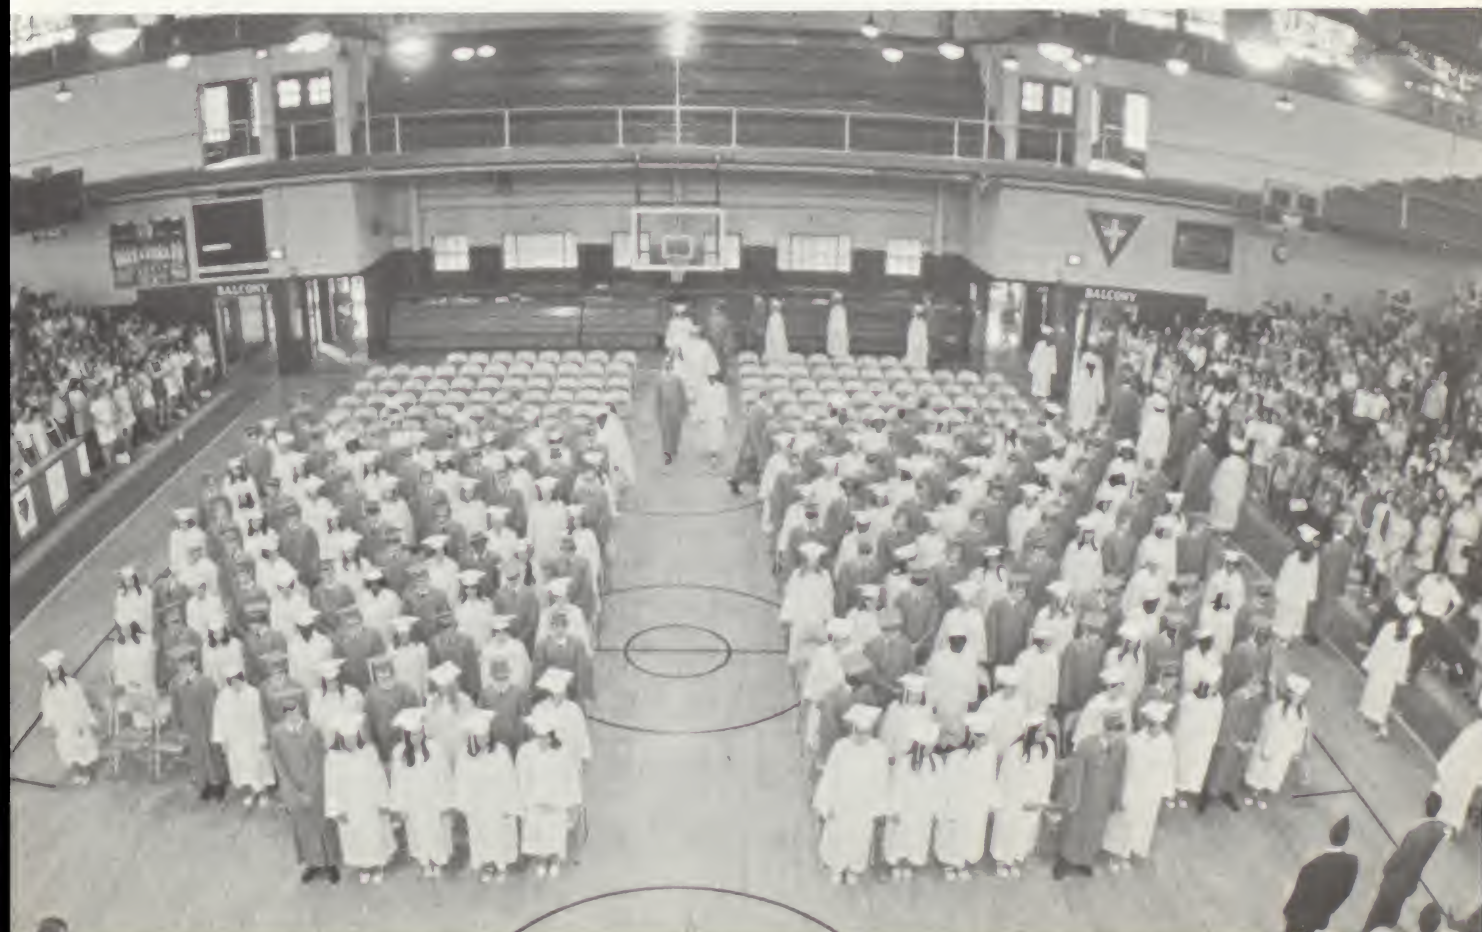

The playing of "Pomp and Circumstance" by the band as the processional quickened the heartbeats of those underclassmen, patrons, and guests who stood to view the class of 1970 . . . for the last time.

Representing the class as speakers were Diana Eby, valedictorian; Deborah Johanningsmeier, salutarian; Cheryl Bennett, Sandra Chamberlain, Kathy Kahl, Hilda Kendrick, and Barry Pruitt.

Blending their voices in bell-like harmony "The Halls of Ivy" echoed within the crowded fieldhouse long after the final chord was sung by graduating concert choir members.

Presenting the class to Dr. Joseph Foust, superintendent of Greater Clark County schools, was Mr. William Henry Reeves who then called the 396 seniors for the awarding of diplomas. Changing the tassels was Susan Condra's last official act as class president.

Academics

Plays, Poetry, Speeches Highlight English

The ability to communicate with all people begins early in school, but in order to improve this line of communication and to strengthen these skills—English is essential. Study of grammar, literature, composition, vocabulary, spelling, and speech polishes the high school student, prepares the college-bound, and increases the understanding of individuals. Required for three years, but optional to seniors is English—the bridge of communication.

Mrs. Frances McCoskey, head of the English department has evaluated the changes in the English curriculum with the eighteen teachers in this area. New personnel are Miss Feryl Bergin, Mrs. Judith Meador, Mrs. Adell Bridges, Mrs. Linda Coury, Mr. Michael Robinson, and Mr. Patrick Shockey.

Above, Mrs. Hogue speaks with her class of juniors. Left, Kerry Herdt and David Hillman read lead parts in "Romeo and Juliet".

JHS Science Department Aim is to Increase Technological Skills.

Though limited by the lack of physical facilities, the main purpose of science courses offered at J.H.S. is to increase the scientific literacy of all students by providing courses in general and specialized education; thereby, enabling these students to participate more intelligently in the technological society of today's world.

Mr. Uhlan Rose, head of the science department, and Mr. James Kennedy have visited many ultra modern high school laboratories during this school year and have done extensive planning for our new school facilities.

The science department is anxious to move to the new school where a greater variety of courses will be added to the curriculum which now include biology, chemistry, chem study, and physics.

Teaching in the department are Mr. Uhlan Rose, Mr. Jim Kennedy, Mr. Glen McCarty, Miss Jean Jarrett, Miss Marilyn Reich, Mr. Joe Brown, and Mr. Glenn Allen.

Left, Mr. Joe Brown takes a relaxed pose as he talks to his physics class. Below, left, Steve Herdt should be able to find the proper weight if all of the gadgets are in place as he sets his scale. Below, right, Steve Herdt looks dubious as he proceeds to the second step of his experiment.

Century Club—New Extra-Credit Program

(Above) Once around the block, boys! When warm weather arrives the physical education teachers take advantage of the situation. (Below) Fifty jumping jacks are usually the opening exercise for the daily physical education classes.

Girls' physical education classes always begin with warm-up exercises such as these. (Below, left) Stretch, stretch, touch those toes. Daily exercising is an integral part of the physical fitness program.

The Physical Education and Health department headed by Mr. Nicholas Weise has excelled this year with the help of new programs and equipment.

The Century Club, in its first year at Jeff is an extra-credit program. Members run from three to five miles a day in their spare time to reach a goal of one-hundred miles and some go on to three-hundred miles.

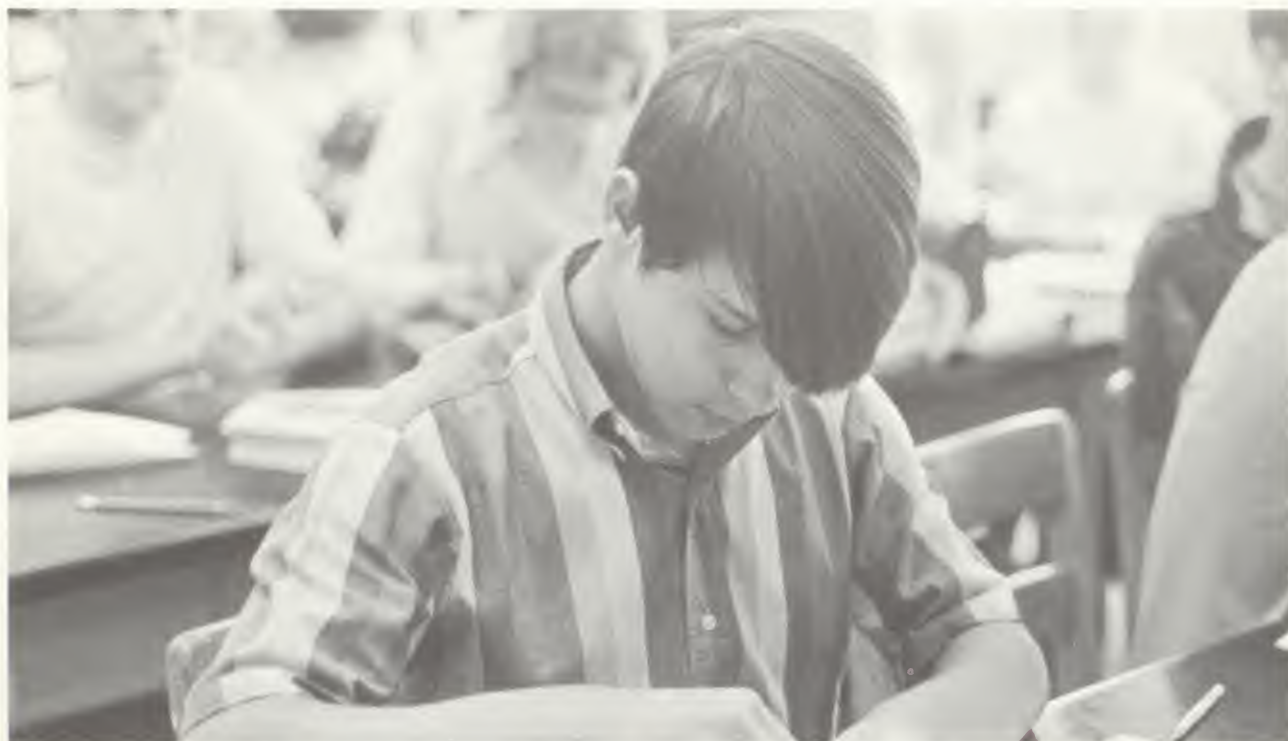

New equipment added to the department included a new trampoline, and high-bar, and a trampolet. With this equipment a more complete program of gymnastics was taught.

Boys' Physical Education classes, taught by Mr. Weise and Mr. Martin Klotz, participated in both team sports and individual sports.

Girls' Physical Education classes under the direction of Miss Dolores Mullins and Mrs. Beverly Johnson traveled to Youngstown Bowling Lanes to learn the techniques of bowling in the beginning of the school year. Later in the Girls' Physical Education program team sports such as soccer, basketball, and softball were a few of the sports undertaken. In the gymnastics portion of the program, all girls were allowed to participate in a tournament held after school. Involvement in both team and individual development aided in the growth of the young ladies at Jeffersonville High School in their Physical Education Program.

Health and Biology Are Character Builders

(Above) Now—if this is the heart, then that must be the . . . Keith Conn ponders as he dissects a frog in biology class. (Below) Mrs. Mary Lou Byers appears amused as she sits in her office.

Cheerful comfort is dispensed in the nurse's office by Mrs. Mary Lou Byers who can offer first aid or loan one a shoulder to cry upon. Her office on the lower level of the main building has been a haven for many tortured souls who became ill at school, who were injured in physical education, or who felt mental anguish because of forgotten class assignments.

Remember the sign in her office reads, "Students must clear their passes back to class through the Dean's office".

Biology is a required science course offered to freshmen or to sophomores. For most students this laboratory experience is enlightening—how many have cut up frogs for dinner? Or perhaps breakfast?

Health, too, is required for most freshmen. Learning the names of the bones, muscles, and areas of the brain proves a bit difficult; however, the exposure to damages caused by alcohol, drugs and nicotine sets constructive guidelines for all to knowingly follow.

Mr. Peters Continues 'Enriched' Program

Above, Eddie Kochert seems to be one step ahead of Sharon Fitzpatrick at this point in their equations. But—who knows which student got the correct answer? Left, Sylvia Ellingsworth looks on knowingly as Mr. Archie Williams explains a point on the transparent cone.

The Mathematics Department is continuing its five year "enriched" program for superior students in Math under the direction of Mr. Phillip Peters.

Mr. Peters served on the state committee for selection of fourth year math text books.

No new equipment has been added to the department but plans for a Calculus course have been discussed. Plans are being made to revise the math courses at the ninth grade level, for students average or below average in math.

(Above) Mr. James Becker and Chuck Finch explain a political principle to the class during a history discussion.

Social Studies Transmits American Heritage

The special aim of the Social Studies Department is to help students understand, appreciate, preserve, improve and transmit their cultural heritage in such a manner that those who live today and those of the future generations may enjoy its blessings. Mr. Robert Detamore is the head of this department.

This year the Social Studies Department has been occupied with the basic planning for the change in the curriculum to the flexible modular scheduling.

(Left) Just a little joke to start the day! Mr. Arvel McKinley amuses his students at the beginning of an economics class. (Below) Mr. Robert Detamore having faithfully served the Jeffersonville community for forty-four years retired with the 1970 class.

Communication With Other People—Purpose

(Above) All students must be extremely attentive as instructions are given on the tapes and by the teacher. Miss Koch speaks to her class in the lab-

oratory which is an important part of the foreign language program.

(Above) Watching the words or just listening, all students must be ready to pronounce the German

phrases when called upon to do so.

of Foreign Language Dept. Headed by Koch

This year the language department had Miss Joan Koch as its chairman. Miss Koch was a new addition to foreign languages at J.H.S., working primarily with German. Mr. Swearingen taught advanced classes in Spanish whereas Mrs. Gail Cleek instructed first year Spanish classes. French was the special language of Mrs. Margaret Meyer. To complete the language arts program was Latin with Miss Helen Frum, the instructor.

The purpose of language courses is to enable students to better understand people of other countries by learning to communicate with them. Students also begin to understand better the problems that others have in learning our English language.

(Above) Sometimes it does seem impossible to pronounce everything just as it should be! Peggy Shepherd is deep in thought as she works in the foreign language laboratory. (Left) Equipped with microphone and earphones, Miss Joan Koch instructs her classes in the foreign language department. With the aid of tapes, the teachers can show students proper pronunciation.

(Above) Mrs. Jane Lanham observes as her students practice the fundamentals of typing. Gaining some amount of proficiency in typing will help most students throughout their lives.

Data Processing Added to Business Dept.

(Above) Kyle Larson, left, assumes a very professional attitude as she pursues her typing assignment. (Left) Tackling a timed writing assignment is always a dreaded chore! But, Karen Byrne certainly looks as if she's ready to meet the challenge.

This year the business department made a sincere and concerted effort to offer all students the opportunity to be introduced to the business skills. Expansion was evidenced by the addition to the curriculum of a new course in data processing taught by Mrs. Joyce Johnston. The business department is headed by Miss Dorothy Hoehn.

Every hour all of the typewriters are busy in the three typing rooms as students prepare themselves to meet the future. In almost any vocation, a person will at some time have to do some sort of typing. In order to improve one's typing ability, it is important that regular practice be implemented. The faculty of the Business Department strives to instill this sort of realization in their students' undertakings.

Many Varied Talents Displayed in Fine Arts

Whenever Jeff High wants to demonstrate to others its finest qualities, the Fine Arts department is called upon for its various talents in art and music.

This year art students held an art exhibit at Green Tree Mall. Art classes were also kept busy making prom decorations under the supervision of Mr. George Engle and Mrs. Annette Swann.

The band has also won numerous awards as a group, in ensembles, and individually at such contests as the South Central Solo and Ensemble Contest. The band, under the direction of Mr. Eugene Davis, marched in the Derby Parade and various other parades. This year the band bought new red and black uniforms to replace the well-worn red ones.

The Choral department has outdone itself this year, taking a large percentage of firsts at the Valley Choral Festival in April.

Mr. John Cleveland, head of the Fine Arts department, taped many of the chorus' performances on the department's new Sony tape recorder. Various choral groups have performed over the year at concerts, contests, on trips, and small groups made special appearances for different civic organizations.

(Right) Trudging to class loaded down with books seems easy in comparison to this student's instrument! (Above) Mr. Eugene Davis directs the award winning band at a practice session.

yellow and blue, you get—that couldn't be right! Art class is often a severe challenge to students.

Family Living Course Helpful in Future Life

(Below) Mrs. Carolyn Laird assists a dejected looking student to attain skills in the art of sewing.

This year in the Home Economics Department there were several innovations. One example is the Family Living Class. Of the sixty students enrolled, forty-five were boys. All aspects of Home Economics were taught. Every area from consumer buying to actually cooking were covered.

Mrs. Carolyn Laird, head of the Home Economics Department, feels that the well coordinated programs that have been established can be easily transferred to the new high school complex.

(Below) Embroidery work is tedious, but rewarding. Students in sewing classes also learn to monogram. (Above) Hey, look what we did! Boys learned valuable techniques of cooking in classes this year.

Vocational-Industrial Arts Headed by Huber

Mr. William Huber, Jr. was the chairman of the Vocational and Industrial Arts Program again this year. A busy man, Mr. Huber also was the Director of the Audio-Visual Department at J.H.S. The Vocational and Industrial Arts Program includes classes in machine shop, mechanical drawings, auto shop and wood shop.

Moving to the new high school facility is uppermost in the preparations for the future in this department.

(Above) Team work can help in completing a shelf in woodshop class. (Right) Mr. Frank DiNoto instructs a student in Mechanical Drawing class. (Below) Accurate measurement is the goal of these students as they work in their wood shop class.

The National Honor Society again sponsored the annual talent show this year. The master of ceremonies was the capable, versatile Mr. Jack Wann who worked diligently to produce this entertaining program for two programs presented to the student body in the old gym.

The president, Mark Hadley, with the sponsor, Miss Dorothy Hoehn, met regularly with its senior and junior members. The active junior members of this organization will serve J.H.S. as leaders during the coming year.

Most impressive is the presentation of the gold honor cords at Honor's Day to those graduating members. The circle of leadership is inspirational to all underclassmen and the coveted award for excellence of the upperclassmen. Scholastic achievement, participation, in extra-curricular activities, leadership, service, and dependability are the qualities possessed by the small percentage of those students tapped by this society.

Jeff Hosts Exchange Students From Uruguay and France

The American Field Service chapter at Jeff is an extension of the adult chapter of the A.F.S. The main purpose of the chapter is to sponsor a student or students from foreign countries to Jeffersonville. This year Julio and Bernadette are our exchange students. Also in the past several years a student from Jeff, through A.F.S., has been able to take advantage of the summer exchange program—(Ken Fisher to Italy, Cheryl Carpenter to Peru).

Principal's Cabinet Serves First Year at Jeff

The '69-'70 school year marked the beginning of the Principal's Cabinet, a cross section of the student body along with several teachers including, Mrs. Helen Magos, Mrs. Bonnie McCafferty, Mr. Jerry Reed, Mr. James Kennedy, Mr. Rod Swearingen, and Mr. John Cleveland, who were appointed by Mr. Reeves. The group is divided into two sections, the curriculum and the personnel.

The principal's cabinet was formed to represent the students and their problems and to make recommendations about the new high school now under construction.

Student Council Sponsors Drug Assembly

The 1969-70 Student Council emerged as a most vocal and active council at J.H.S. Student Council representatives were concerned with a widespread area of topics. After several weeks of debate, the council approved a more detailed and efficient constitution. From the start the council involved itself in the controversy concerning the dress code. Other activities included a "teach in" on ecology for the nation-wide Earth Day, a drug assembly, the sponsorship of both football and basketball homecomings and several other projects of benefits for the students.

Art Club Participates in Variety of Events

The 1969-70 school year was an active one for the Advanced Art Club. The club participated in a variety of activities ranging from an October Halloween party and a May picnic to visits to the Speed Museum of Art, and the Frame House Gallery. The club also sponsored an ornament and trinket sale in December and an art exhibit of JHS in May. Both the sale and the art exhibit were at the Green Tree Mall. The officers of the Advanced Art club were Sheryl Stone, president; David Crum, vice-president; and Eddie Rae Lomax; Karen Bond, secretary-treasurer.

Art Club Experiences First Year at JHS

Under the supervision of Mrs. Annette Swann, sponsor, the Beginning Art Club was organized and began its first year at J.H.S.

The purpose of the club is to provide an introduction to art to those students interested in an art career.

The officers of the club are president, Mark Decker; vice-president, Steve Wise; and Secretary, Betty Edwards.

Student Theatre Opener for '69-70 Season

Below: Annie Oakley leaves some mighty odd impressions on Charlie Davenport (Barry Pruitt), Buffalo Bill (Charlie Marachaek), and Frank Butler (Tom Fox). Above: Aboard the train, Annie tells the passengers some good-night stories.

'Annie Get Your Gun'

"You sure that ain't pig-wash?"

That's just one of the many comments one could have heard if one had attended Student Theatre's opening show for its fifth season, "Annie Get Your Gun."

"Annie" is the story of a stubborn backwoods gal named Annie Oakley, who through her amazing accuracy, becomes "World Champion Sharpshooter". Frank Butler is the even more stubborn guy who Annie falls in love with, and his title also happens to be World Champion Sharpshooter until li'l ol' Annie comes around.

With these two titles clashing, one can imagine the trials that this romance has to go through. And with two scheming friends, Buffalo Bill and Pawnee Bill, (who just happen to be arch-enemies) and a very strange but authentic Indian, Sitting Bull, a few more monkey-wrenches were thrown in the fire.

This rollicking musical-comedy with such numbers as "There's No Business Like Show Business", "Can't Get a Man a Gun" and "Sun In The Morning," delighted audiences for four nights.

Above: Frank Butler (Tom Fox) and Annie (Laurie McKee) take time out for a serious moment before feuding time begins. Left: Pat Dages (Sitting Bull) operates the cycle used in a stunt scene where Annie does some fancy shooting.

Miracle Worker Sells Out

"W-a-t-e-r."

This was the key work that unlocked the door that shut Helen Keller out of a world that had been denied to her.

Student Theatre presented its first dramatic play with the opening of *Miracle Worker*, the story of the blind, deaf and mute Helen Keller.

Kathy Kahl portrayed the "never-say-die" Annie Sullivan, the person in real life who was able to reach through drawn curtains to Helen Keller, played by Kay Nix, a Parkview student.

Effects used in the show included an original sound track by JHS students, many varied lighting sequences, and a water pump that actually worked on stage. These things brought the show alive for the audiences on the two nights it played selling out completely.

Above: With the help of Snooks, Annie Sullivan (Kathy Kahl) tries to show Helen Keller (Kay Nix) how to reach out towards a more meaningful life. Below: Grappling for Helen's future, Annie attempts to curb Helen's temper tantrum. Right: Confrontation in the carriage house: Annie Sullivan and Captain Keller (Barry Pruitt) meet.

'My Fair Lady' Ends Season at Parkview— Sell-out Performance

My Fair Lady, one of New York's longest running musicals, opened at Parkview, with Ascot, London, and all.

Eliza Doolittle is a common flower girl peddling flowers on London Street corners and is transformed into a 'Proper Lady'. It all starts when Eliza bumps into the somewhat over-confident Professor Henry Higgins, who, in turn runs into Colonel Hugh Pickering. They make a bet on the improbability of transforming Eliza into a more genteel and proper lady. Trying to change Eliza is certainly a job that is at times unpredictable.

Student Theatre went all out on this production, making investments which included a 16-foot turntable. Numbers such as "I've Grown Accustomed To Her Face", "Get Me To The Church", "Danced All Night", "Just You Wait Henry Higgins", "Ordinary Man", "Little Bit Of Luck", and "Wouldn't It Be Lovely?" were among the better known songs.

Above: Alfred P. Doolittle (Charlie Marachek) doesn't quite know how to act around a lady so he isn't at ease when Eliza (Karen Campbell) gives him a peck on the cheek. Right: Eliza tries to think things out, unaware that Prof. Higgins has his eyes for her alone.

Top Left: Eliza starts out as a common flower girl and in an effort to become more ladylike and genteel, she approaches the celebrated Henry Higgins (Barry Pruitt). Left: Col. Hugh Pickering (Pat Dages) is aghast at the disappearance of Eliza and can't help but show his true feelings in an effort to locate her. Top Right: Prof. Higgins and Mrs. Pierce (Laurie McKee) begin to see their hard work change Eliza from a flower girl into a proper lady. Above: Harry (Mark Toupin), George (Tom Kuncle), Mrs. Hopkins, (Becky Conlon), Jamie (Lloyd Park) gather around to see what Alfie has to say about Eliza's future.

Concert Choirs Receive First in Contests,

This year (1969-70) the results of last spring's tryouts for choir produced a smaller concert choir, but a much more advanced one technically. This enabled Mr. John Cleveland, choral director to cover about twice the amount of music than in previous years and to polish music for better performances.

It seems that all the choirs are diminishing in size from as many as 80-90 to around 50-60. However the quality of voices has improved. This may be because each individual can receive more attention.

The Christmas concert was produced better than usual in 1969. Mr. Cleveland states that with the help of a production

crew for lighting, scenery, program planning, tickets, and advertising it was possible to plan a more beautiful and complete program. We all will remember the finale of the Christmas program "Let There Be Peace On Earth" as a moving experience never to be forgotten.

The Concert Choir, Inter-choir, Freshman chorus, and Girl's chorus entered many activities such as solo-ensemble contests (all received a 1st rating) at Butler University in Indianapolis. Other activities enjoyed in the spring were: Organizational contest, Valley Choral Festival (at North Vernon), the Spring Concert, and of course all choirs combined for Baccalaureate services.

Band Raises Money for New Uniforms

Under the direction of Mr. Eugene Davis, the Jeffersonville High School Marching Band provided halftime entertainment at many of the football games.

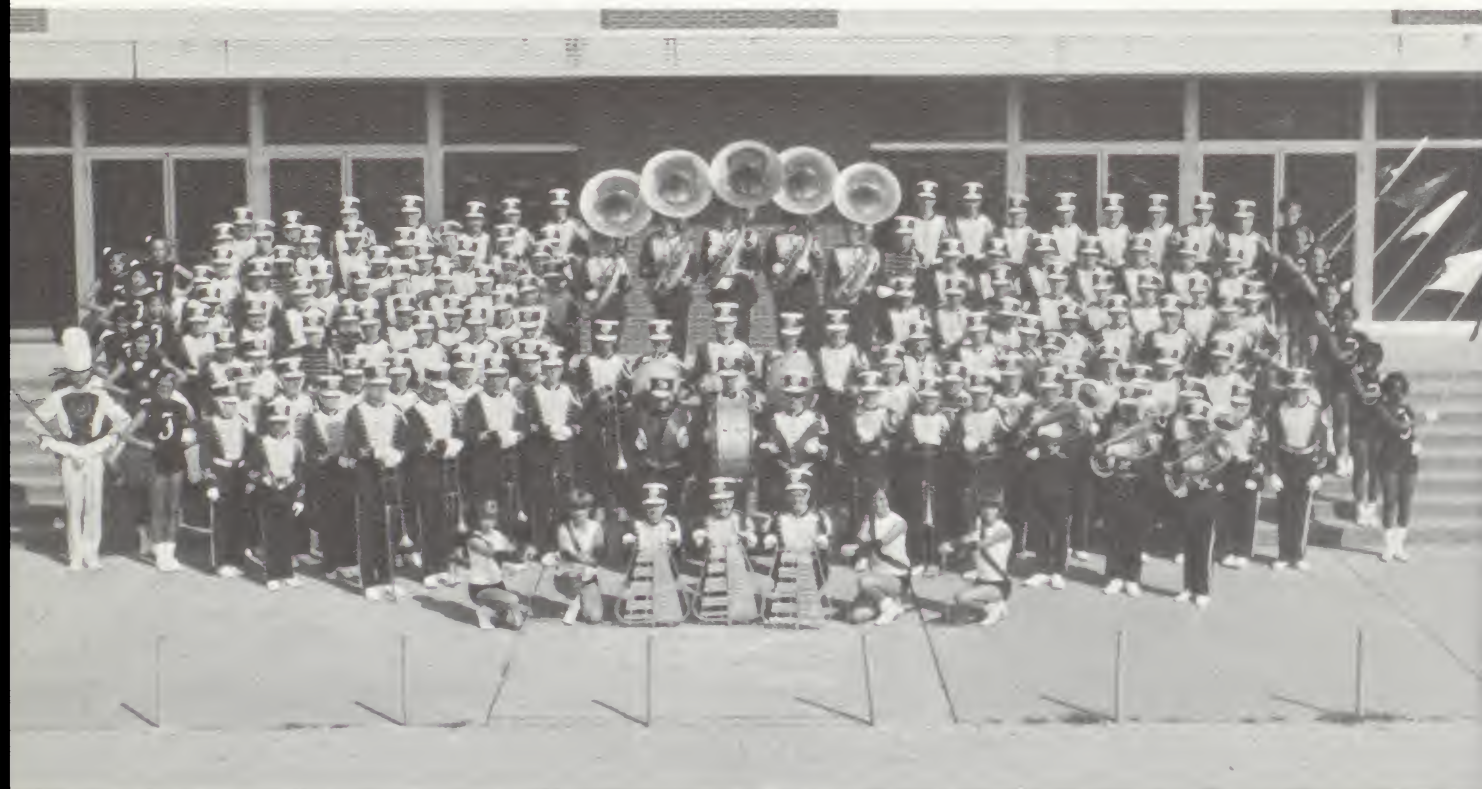

They also marched in parades and performed at pep sessions, plays, assemblies, and traveled to Indianapolis where they competed in a statewide contest, finishing 26th out of some 90 bands.

For the first time, the J-Ettes, an all-girl drill team, performed with the band. Along with the Majorettes, they added color and

variety to the Marching Red Devils.

After practicing for hours at a time, the band members went out to the community to ask for aid in buying new uniforms. With this project well underway, a style was chosen and measurements were taken.

Senior band members were honored at the annual Christmas concert. They were awarded for outstanding ability and their four year membership to the band.

—THE HYPHEN—

Top Crackpots Startle Nation

At a meeting of the National Association of Inventors and Crackpots on June 1, former Jeffersonvillians distinguished themselves.

Jayne Weathers, owner of a string of beauty salons in Paris, Louisville, and Mud Pack Landing, announced her latest invention a permanent, permanent wave. Her partner, **Martha Cody**, known as the Countess of Longhair, has developed a process of de-waving the hair of any WEATHERING victim, as soon as she views the disaster.

A new system of painting automobiles with water colors has been advanced by **Greg Sumler**. The colors run, thus eliminating the need for gas. **Susan Condra's** fool proof lipstick is still in the testing period, being proved, reproved or approved, according to taste.

On his first trip to Mars in his new rocket ship, **Terry Crofford** saw his old friend, **Rick Cherry**, seated atop an immense 3-inch flagpole reading a copy of the popular magazine, "Out of This World." The cover is graced by the Turnover model, **Linda Winnett**.

Faculty Changes

Additions and changes in the faculty of Jeffersonville High School have been announced by Mr. **Keith Reiter**, Principal. New in their respective departments are Miss **Barbara Berry**, English; Miss **Mary Alice Simpson**, art; and Mr. **Gary Dean Purlee**, Latin. Miss **Roxanne Goshorn** will head the history department, and Miss **Debbie Johanningsmeier** has been named supervisor of home economics. Miss **Diana Eby**, dean of girls will share her duties with Mr. **Michael Thompson**, dean of boys.

Celebs Drop Into Roof Opening

All of New York was welcome at the gala opening of the Jeffersonville-Hilton Roof Garden last night. Master of Ceremonies, glib-tongued **Charlie Marchacek**, broadcast the celebration over station WJHS. Everyone was there, dipping and sipping to the strains of the new hit "They Let Me Out At Last," arranged by **Robert C. Sample** and **David McKinney**. **Gerald Lee Nattermann** really hit the ivories, while that ace torch singer, **Becky Snider**, positively sent us. And now for some notable guests—

First was the mayor of Happydale,

New President Names Cabinet

Tom Fox—Alice Jeanne Beatty
Special AP Correspondents

"I won't do it! I WON'T!"

Thus spoke the honorable **George Strickland**, newly elected President of the United States, on the subject of kissing little babies—"they have to be grown."

At the conclusion of this exclusive interview President **Strickland** stated his policies to the press, and disclosed the recently appointed cabinet members.

Doug Stubblefield, former Secretary of War, will be ousted as there are no more wars. However, the Secretary of the Navy, **Philip L. Ellis**, will be retained. We'll always need sailors! Postmaster General **Deborah Susan Hall** writes even more letters than she did during her school days. Because of her remarkable ability to spend money, **Debbie Howerton** will be Secretary of the Treasury. Experience in working with the HYPHEN staff qualifies **Ralph Henshaw** for the position of Secretary of Labor.

Hill Wings Way to Fame

Joseph Clifford Hill has broken the world's record by flying across the Atlantic Ocean in one hour and seven minutes. Mr. **Hill**, who made the trip in a giant Z-99, had as his co-pilot **Ray Neumeister**.

Among the many celebrities who accompanied them on this historic flight were **Karen Campbell**, world famous soprano, her accompanist, **Jan Neumeister**, **Sian Farnsley**, glamorous and talented actress, and **David Lee Mann**, well-known athlete.

Tom Trich. He was accompanied by vice-mayor **Burton Pierson**, elected on the grounds of his Latin translation of "The Valley of the Dolls" into dactylic hexameter.

Oscar's successor **Pat Dages**—the solemn headwaiter—gave ringside seats to **Patty Elliott**, glamour girl of the Butler's Ball. Also in the party was the far-famed undertaker **Dale Richardson**, famous for his slogan—"You Bump 'em off—We Dump 'em off." The great actor, **Barry Pruitt**, was completing his sensational new book, "The Psychoanalysis of Jeffersonville Teachers" or "Hilarity Hall."

FBI Picks Up Scent at Reunion

Discovery of new evidence cleared up the blueprint robbery, which startled the nation two days ago. **Mark Hadley**, chief of the F.B.I., announced that the latest invention of the noted scientist, **Kevin Conn**, was safe.

The sensational developments cleared charges against many renowned people, including **Mme. Bernadette Oudine**, New York correspondent for *Revue des Deux Mondes*; **Senator Crenshaw Owens**; **Dean Nancy Phillips** of Stevens College; **Graham Hinton**, author of "Never Again"; **Hilda Kendrick**, vice-president of **Edward Katzman** National Bank; **Robert Watkins**, owner of the Indiana Pacers; Ambassador to Uruguay, **David Coyte**; bass virtuoso, **Douglass Holmes**; and **Cheryl Bennett Airwaze**, wife of the president of International Airco.

Broadway Snoopers

This is Broadway Snoop, bringing you the latest in our Who's Who of the theatrical world. Displaying great talent and a lot of leg in her first Broadway musical hit, **Trudy Moore** danced her way into the orchestra pit after tripping over a speck of dust, which the cleaning woman, **Mary Kay Martin**, had overlooked. Journeying over to Carnegie Hall, we caught two young hopeleses, **Christine Schneider** and **Kathy Kahl**, trying their best to convince the audience they were opera singers. Dandelions to **Donna Mae Loveland** and **Kathryn Marshall**, who combined their talents to create the magnificent costumes worn in the stage production, "The Sound of Music," in which outstanding performances were given by two new stars, **Laurie Ann McKee** and **Rebecca Horneman**. Word has leaked out that this is not their first attempt at show business. Does anyone remember "Annie Get Your Gun," the talk of Jeffersonville, Indiana, ten years back?

Snoopingly your, **Pam Rudd**

"They're Off!"

As JHS passed under the finish line today, another great Kentucky Derby winner took its place in history with Whirlaway, Count Fleet, Pensive, and others. JHS, owned by **Bill Pinkham** and trained by **Peggy** and **Beth Bizer**, was the first of its type to win the big event.

Metamorphosis Staff Publishes Magazine

The Metamorphosis Club was formed to compile the literary Magazine. This was the first year that the magazine has been printed using the offset method enabling them to incorporate picture in the editions. The staff hopes that next year there will be four editions of the Metamorphosis: spring, fall, winter and summer.

The Metamorphosis is a literary magazine made up of contributions of short stories and poems submitted by Jeff High students. The staff, editor Linda Brown, production manager Tim Moore, business manager George Speth, public relations manager Kay Stemler and faculty advisor, Miss Feryl Bergin work diligently to complete the Metamorphosis. See No Evil, Hear No Evil, Speak No Evil

A fulltime audio-visual director has been appointed at Jeff High. Mr. William Huber heads this department located in the former administration building on the west side of the campus, known as "Huber's Haven."

The purpose of the audio-visual department is to make educational aids such as films, filmstrips, records, tapes, and transparencies readily available to the teachers. Equipment as well as trained personnel may be requested from Mr. Huber who sponsors the Audio-visual Club—a service organization. The usefulness and availability of materials better enlighten the school community.

Another organization representing the school well locally and regionally was the Debate Club. Their sponsor, Mr. Ron Powell, coached the group through much competition successfully.

Bartonettes Pursue Medical Careers

The Bartonettes is a club comprised of girls seeking medical careers. It provides an opportunity for the members to learn more about various fields of medicine.

The girls, sponsored by Mrs. Mary Lou Byers, were engaged in many activities. They visited the National Nursing Home and distributed gifts to the patients. They gathered at Mrs. Byers' home many times for meetings, parties and a Christmas dinner.

J-Ettes Perform at Games, Parades

The J-ettes provided halftime entertainment at many ball games throughout the football and basketball seasons.

With the aid of Mrs. Beverly Johnson, sponsor, the J-ettes danced to various hit records and designed unique costumes to accompany each routine.

The girls' first money making project was selling stationery. The profits were used to award the graduating seniors pins for their participation in J-ettes. The remainder was used for sending the next year's captain to summer camp.

Outstanding Athletes Join Lettermen Club

Jeffersonville High School regards its athletic program and the boys who make up the program with much pride. The boys who contribute most to the program receive letters from their coaches and become eligible for membership in the lettermen's club.

The boys receive letters for their participation in various athletic events including football, basketball, track, cross-country, tennis, golf, and baseball.

GAA Active in Variety of Athletic Events

The Girls Athletic Association started their 69-70 season with soccer, followed by bowling. With 18 teams the girls made a trip to Youngstown Bowling lanes every Tuesday. Shortly after bowling was over the girls began their basketball season with games scheduled on Mondays and Thursdays. After basketball the girls entered their track and tennis seasons.

GAA held its second "Playnight" in April. The girls spent the night in the old gym, where they played games such as basketball, volleyball, soccer and softball throughout the night.

In May, GAA held its annual banquet where girls were recognized for their athletic achievements.

Cheerleaders Boost Drooping Satan Spirit

Generating pep at football and basketball games was the task of JHS cheerleaders. Introducing new chants, selecting a suitable skit for a pep session, and pulling for that necessary TD or 2 points has been said to be a tough job. But the girls kept in good shape at Wednesday afternoon practices under the supervision of Mrs. Brenda Miller and indeed boosted the Red Devils spirit to the top!

The junior varsity squad backed the J-V teams throughout both seasons and assisted the varsity cheerleaders in preparation for weekend games. Each girl occasionally skipped lunch to sit in the main hall, taking names for the bus to away games.

Top Left: Taking part in homecoming, Robin Sandbach gives Teresa Brown a ride. Left: Varsity squad members, Sharon Rogers, and Judy Chappell seem deeply concerned about the penalty. Above: Susan Condra readies the Devil fans for a tough game.

The J.H.S. Cheer Block with Mrs. Bev Johnson as sponsor supports the basketball team. Dressed colorfully in red and white the spirit of this group permeates the air and stimulates enthusiasm in the student body. Pep sessions before ball games stir up class competition. The juniors and sophomores vie for the spirit stick and victory jug constantly. Freshmen seek to capture it—but seniors often bow out to the underclassmen whose voices raise the fieldhouse rafters. Returning alumni are always aroused by familiar strains of the school fight song, "On Red Devils", as sung by the Jeff High Cheer Block.

Big 'J' Posts 7th Winning Season in a Row

Row 1: Dwayne Baynes, (mgr.), Tony Gales, Phil Ellis, Chuck Finch, Brad Pinkham, Steve Case, Mike Thompson, Bruce Winburn, Bob Rogge, Gary White, Mike Croudep, Richard Wrench, John Howard, and Doug Chapin. Row 2: Coach Tom Chapala, Shane Kershner, Tim Thomas, Danny Martin, John Nichols, Keith Reiter, Terry Schmitz, Mike

Fourteen returning lettermen and some 35 other hopeful candidates greeted the coaching staff on Aug. 15 for the beginning of pre-season practice and the Richmond Jamboree. There, during the first quarter, Jeff tied Richmond 14-14. Then in the third quarter the Big Red defeated New Castle 13-0.

The next game at Providence had many misfortunes, as Kent Schoen, the regular left guard, became ill with meningitis and was sidelined for seven full weeks. Then on the opening kick-off, Bill Pinkham dislocated his left shoulder and was out for the season. Regardless of these setbacks, the Devils romped over the Pioneers 45-0.

The following week Jeff traveled to Franklin for the first conference game of the year. There Franklin defeated the Devils 32-20.

The first home game was played against Seymour as the Devils defeated the Owls

15-6 for Jeff's first S.C.C. win of the year.

The next two weeks found the Devils traveling to meet the two top voted teams in the state, Columbus and Bloomington. The Columbus Bulldogs defeated the Devils 22-7. Then at Bloomington, the third ranked team, the Devils finally lost by a score of 21-7.

Homecoming week, the Big Red defeated the Greensburg Pirates 27-8. This gave the Devils three wins and three losses.

The Devils completely outclassed the Martinsville Artesians the next week by a score of 42-0.

Then the New Albany Bulldogs invaded Memorial Park handing Jeff a 41-14 defeat.

Trailing 14-12 at half time to Shelbyville, the Devils outscored the Golden Bears 24-20.

The Devils spoiled Clarksville's winning season by upsetting the Generals 21-0.

Red Devils Take 1970 Sectional Title

"All the way big J!" That was the slogan of the Jeff High student body as the Red Devils bumped the Bulldogs for the 1970 Sectional title.

During the regular season Coach Dick Barr's varsity team, consisting of seven seniors and one junior, traveled to Connersville for the opening game of the 1969-70 basketball season. The Spartans defeated Jeff 70-69 for the first S.C.C. loss.

The Devils then rallied for the next two home games as they blasted Providence Pioneers 96-90, and Franklin Bears 86-61. Prepared for the Owls, the Devils fought all the way, but lost to Seymour, the number two team in the state, 89-92.

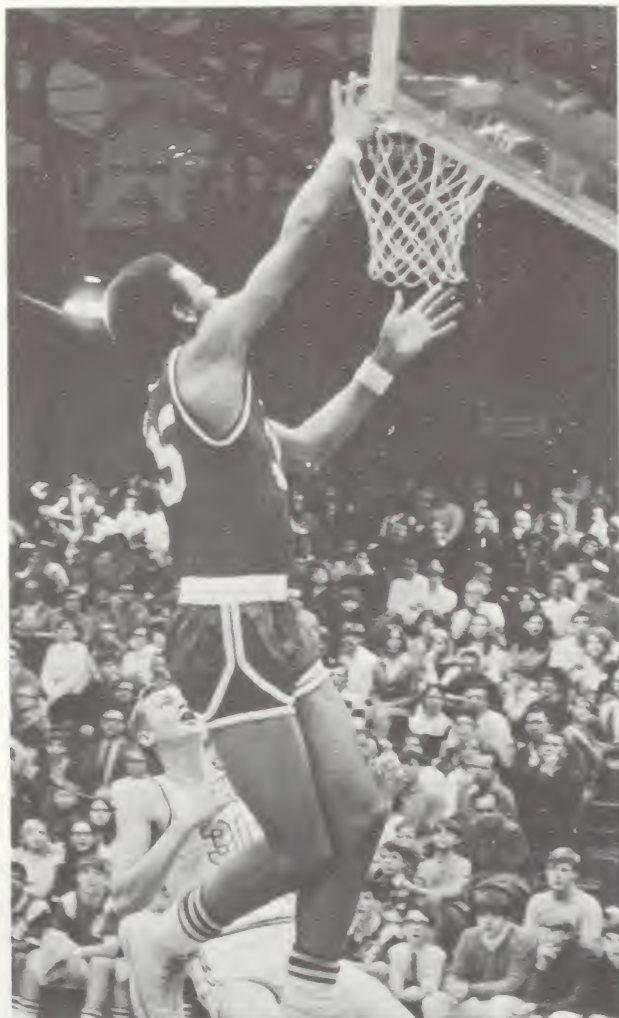

As the Devils advanced to victory in the next two games against Madison 106-75, and Greensburg 73-61, the Silver Creek Dragons was the next victim. Jeff slayed the Dragons 76-74 as Mike Flynn led the Devils with 33 points, and Bob Watkins also totaled in double figures. This victory was heaven as the Dragons were ranked number 6 in the state and the Devils dumped them, and moved into the ratings.

Junior Mike Flynn shows that Jeff has power, as Devil fans hold him high above the crowd after the Devils took the 1970 Sectional title.

Jeff Gains Winning Record 17-7

The Devils sparked through a winning streak as they were victorious in 5 straight wins, then the Bedford Stonecutters surprised the Devils as they outlasted Jeff to win 82-81. The Devils reached the century mark in the last game of the season against Columbus 102-74, and looked forward to the 1970 Sectional.

Jeff had a rough route to win the Sectional. First they blasted Floyd Central for the second time 94-76, and advanced into the next battle against Providence. The Demons began the game slowly, but zoomed past Providence in the end 83-66. That night Jeff advanced into the finals and downed the New Albany Bulldogs 84-80, to win the 1970 Sectional. In the Regional Milltown defeated Jeff 72-69.

The Jeffersonville High School baseball team started practice February 2, and kept up hard work for the remainder of the season compiling a 25-6 won-lost record for new head coach Larry Sigler.

The diamondmen started off the season with a win over Goshen. Then they invaded Knoxville, Tennessee, during the spring break. The trip was made possible by the Baseball Boosters Club who sponsored a rummage sale while the players sold cushions.

The Devils made the trip more enjoyable by bringing home four more wins. They kept on winning for six more games and finally having their streak ended by Muncie Southside.

Leading hitters were Bill Pinkham, captain, and Crenshaw Owens. Others showing great desire and hustle were David Mann, Joe Hill, Mike Crudep, Phil Ellis, Jerry Pike, and Bruce Mater. Heading the pitching staff were Ray Neumister, Rick Romans, and Richard Davis.

Coach Sigler talks over pre-game plans with players. The Devils romped St. X with a score of 4-1.

Ray Neumister pitched a 2-0 no-hitter over arch-rival New Albany. Jeff's runs were scored by Bill Pinkham and Phil Ellis on Pinkham's home run.

In the South Central Conference Neumister again starred as he pitched a one hit 2-0 win over Shelbyville. Jeff then faced Franklin winning 7-6 with Bill Pinkham collecting 4 hits, two of them home runs, including a decisive 9th inning round tripper. In the Semi-Final game Jeff blanked Martinsville 4-0 behind the pitching of Ray Neumister and Rick Romans.

In the final game Neumister and Romans again pitched the Devils to victory. It took 14 innings but the Demons brought home their first SCC championship in eleven years.

Countrymen Dash to Victorious Season

The Cross Country team enjoyed one of its most successful seasons during the past year as they were undefeated in dual and triangular competition. The Red Devil runners won five meets and tied one.

Junior Jerry Orange once again set the pace for the Devil squad, but sophomores Alan Parris and Mike Renn proved to be very capable performers. Coach Reed commented, "Phil Steele is the best freshman runner I have ever seen." The top six runners will return next year. The highlight of the year was a 27-29 win over arch-rival New Albany.

Devils Devote Their Time to Track Team

As the new head track coach, Will Chessman and his assistant Mike Ehringer announced the start of track season to Jeff High boys, through rain, sleet, or snow the Devils still held their practices. Lacking the dedication of the upperclassmen and experience the track team still shined with their standouts in the 1970 sectional. Taking honors were Junior Jerry Orange, as he captured a third and Junior Bill Henderzah placing fourth along with a first place, ran by Sophomore Alan Parris.

The Clark County Track Meet, held during May, was taken by Providence as Jeff and Charlestown pulled up close behind. The Devils totaled three first and their depth enabled them to by pass the advancing Charlestown team.

Winners for the Devils included Freshman Bill Barnett who won the 220 with a time of :23 seconds flat, a second in the 100, and anchored the runner-up 880 relay team. Rick Cherry, won two events, the pole vault with a 12'6" vault and the broad jump.

Others who helped in the scoring were Jerry Orange who finished third in the mile and 880 runs. Terry Schmitz and Bill Scott finished fourth and fifth in the shot put. Sophomore Alan Paris finished second in the two mile run.

The Jeff High Freshman ran through an undefeated season as they brought home a trophy after winning the Floyd Central Invitational. Jeff was first out of 21 other schools competing.

Gymnasts Perform, Experience Displayed, Successful Season

Jeff's success in athletics this year was also apparent in gymnastics. The group worked hard on highbars, free exercises, rings and parallel bars to develop into Sectional, Regional and State competitors.

Rick Cherry, high scorer and captain of the team, proved himself by setting two school records. The young team finished fifth in the Gymnastic Sectional and ninth as a team in state competition. Coach Nick Wiese commented that next year's team looks just as bright but they will miss Rick.

Jeff Wrestlers Gain Experience

This year's varsity wrestling team spent most of the 1969-70 season gaining "experience." Jeffersonville's wrestling team, coached by Thomas Chapala and his assistant, Michael Robinson, was composed almost entirely of underclassmen. Mike Thompson, Jim Dalton, and Mike Pelky were the only upperclassmen on the team.

Outstanding performances were turned in by Senior Mike Thompson as he had his most successful season of wrestling ever. Mike went to the regional undefeated and was beat in the finals. Rick Coyte also went to the regional and wrestled at 137 pounds. Rick was chosen by coaches of attending schools, as the most improved and aggressive wrestler in the South Central Wrestling Conference.

Next year's Jeff High wrestling team will be anchored by Rick Coyte, Pat Bryant, Mark Luther, Mark Dixon, and Bill Scott.

Jeff Tennis Team Has Victorious Season

Coach Ted Bryson, Tony Dinoto, George Strickland, Tom Vandenoever, and Bruce Lawrence.

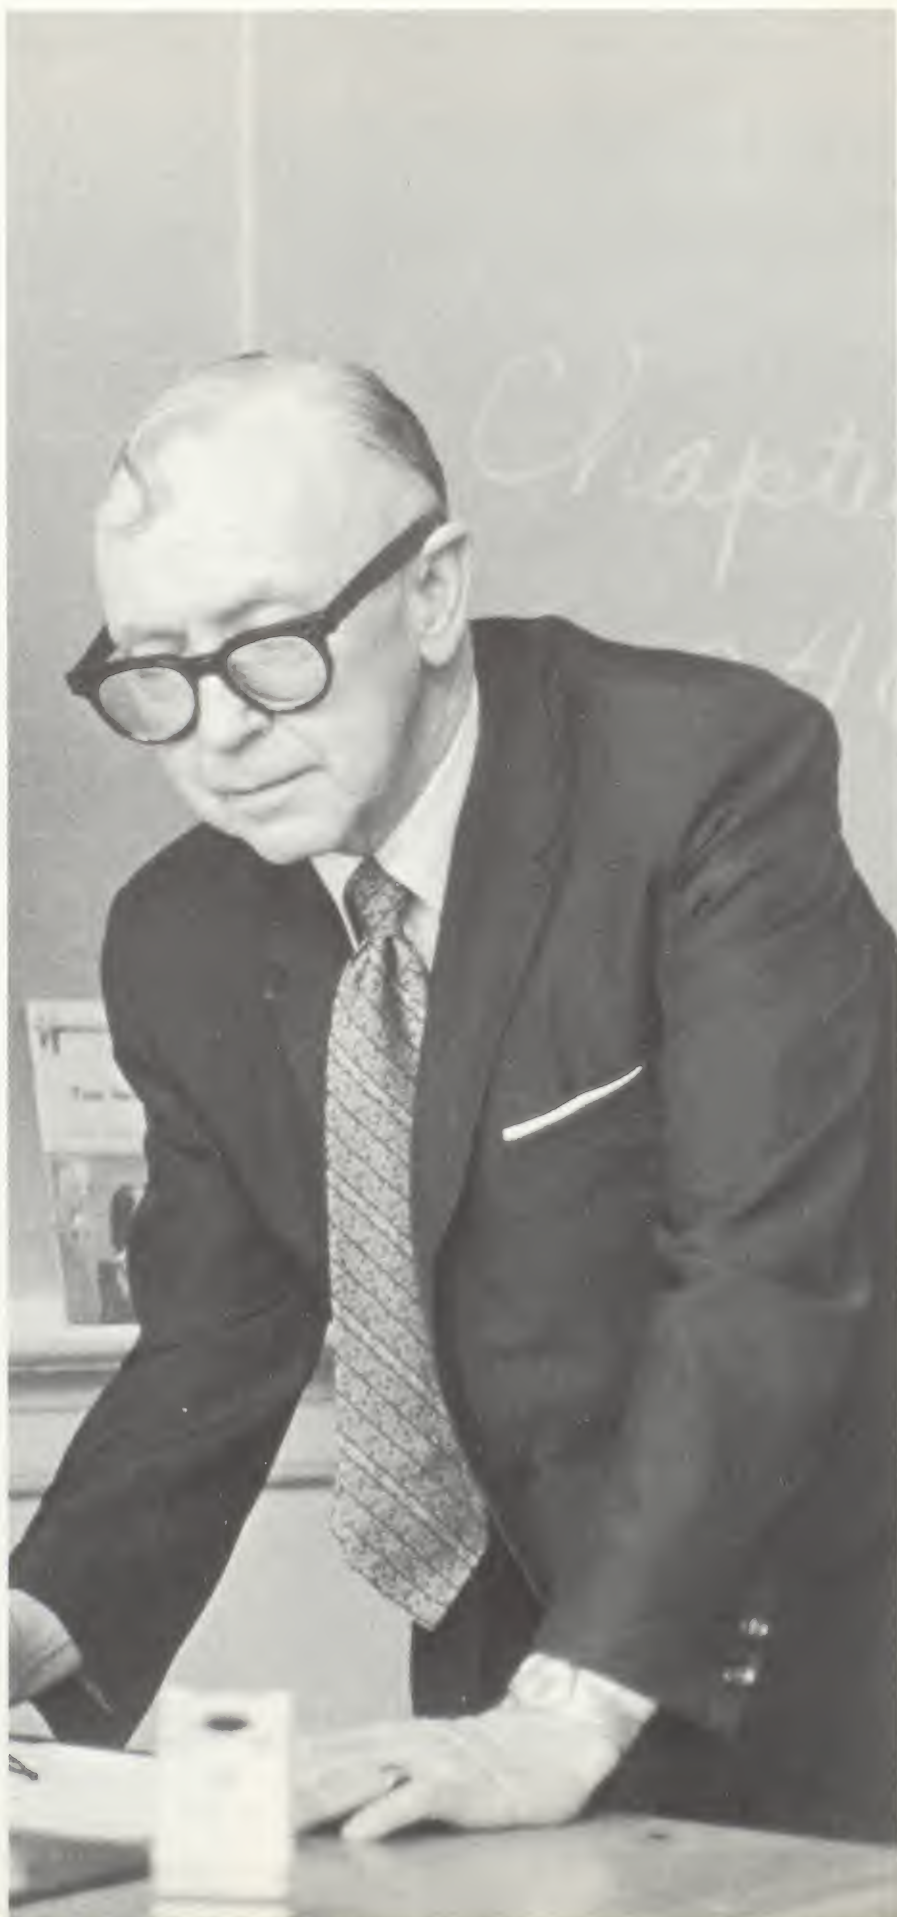

The Red Devil netmen completed a successful season this year with six wins and nine losses. The squad was led by sophomore Tom Vandenoever who took top tennis honors. Also contributing to the success of the team were senior George Strickland, junior Bruce Lawrence, and freshman Kenny Abbott.

The racquetmen finished third in the sectional at New Albany advancing to the semi finals and finals. In the South Central Conference Tourney the Devils placed third and participated in the Bloomington Invitational Tourney.

Coach Ted Bryson commented that the Jeff High tennis team is expected to be highly improved by next year's season.

George Strickland seems satisfied with his return to an opponent. During this SCC game George advanced to the quarter-finals.

Greater Clark County School System

There have been many changes this year in the Greater Clark County School System. Being Dr. Joseph S. Foust's first year as superintendent, he has had to become acquainted with the improvements necessary to reach the tremendous goals the community strives for.

Realizing the challenges and needs of education, the school board has been concerned that JHS students be better trained and educated to meet the demand for higher skilled fields of labor. Because of the concern of the administrators, we are now getting a new high school. The administration is planning to assure each student that he receives the highest degree of education that this community can offer.

JHS Student Activities

Being the principal of a school as large as Jeffersonville High School is not always an easy job. Throughout the year there are many important issues which he must decide upon for the benefit of the entire student body and administration.

As principal he has to be prepared to make decisions from the trivial to those of great importance. His job is to try to understand, and then act for the good of all.

Being principal is often a lonely job, for he alone is responsible for the many decisions he has to make. It's a big responsibility and the person who is chosen to fill the position has to be just as big a person.

Above: Mr. Brogan and Yvonne Vissing view the homecoming parade. Right: Mr. Reeves and Mr. Hennigan enjoy a girls soccer game.

Counselors and Deans

With a constantly increasing enrollment, scheduling classes becomes more difficult for the counselors. But this is only part of their job. Each day they are visited by students with problems such as disagreement with a teacher, failing of a certain subject, or having a schedule changed.

The school deans, Mr. Micheal Hennegan and Mrs. Sue Perry, are constantly confronted with truancy, the violation of school codes of dress and conduct, and drop-outs.

Making sure that over 2,000 students are in the right place at the right time is definitely not an easy job.

Janitors, Busdrivers Keep JHS Running

The janitors at Jeff High are more important than students or faculty may think. Cleaning up after 2,000 students is certainly not an easy job, especially in a 59-year old school house.

The bus driver's role has increased since bussing students back and forth to Wall Street has become a necessity.

Jeff High students have found the bookstore to be a lunching area this year. Since a total of nine vending machines are in the front room of the bookstore, students buy various snacks throughout the day. The bookstore is the closest area, where eating is permitted, to the main building of the high school and in cold or rainy weather the students find it convenient.

Mrs. Peggy Neumeister and Mrs. Helen McCullum are in charge of the bookstore, keeping accurate records on school supplies and financial matters.

Left: Mrs. Peggy Neumeister and Mrs. Helen McCullum recheck receipts.

Library Serves as Useful Study Area

Miss Margaret Hayes librarian, helps students locate necessary information for term papers, reports, or personal enjoyment. She also offers advice on problems concerning the library.

Mrs. Ann Phillips, and student helpers have the never ending job of making sure that the hundreds of books are in the right place during the school year.

Where Will the Brook and River Meet?

Are you afraid that your graduation may be considered a trivial matter contrasted with the big events going on elsewhere in the world? Don't be—you and every other graduate are important in these times. Today there is no time for "standing with reluctant feet where the brook and river meet." There are not enough trained hands, brave hearts, and wise heads to meet the urgent need of this June 4, 1970. You are linked with events and issues greater than yourself. You have been equipped through the processes of education to fill your places well according to your talents. The world is hoping and waiting. When the music and the speeches are finished, do you think commencement is over? Commencement has just begun. . .

(left) All dressed up with "somewhere to go," Tom Fox escorts Chris Schneider to the gala event of the season. (Below) Mine eyes have seen the glory of the graduating red and white . . .

Enthusiastic Juniors impatiently finished the 69-70 school year with "great expectations" of things to come in their senior year. Prom preparation, scholastic tests and class rings were the source of much excitement, frustration and happiness for the juniors.

Sophomores Enjoy Second Year at JHS

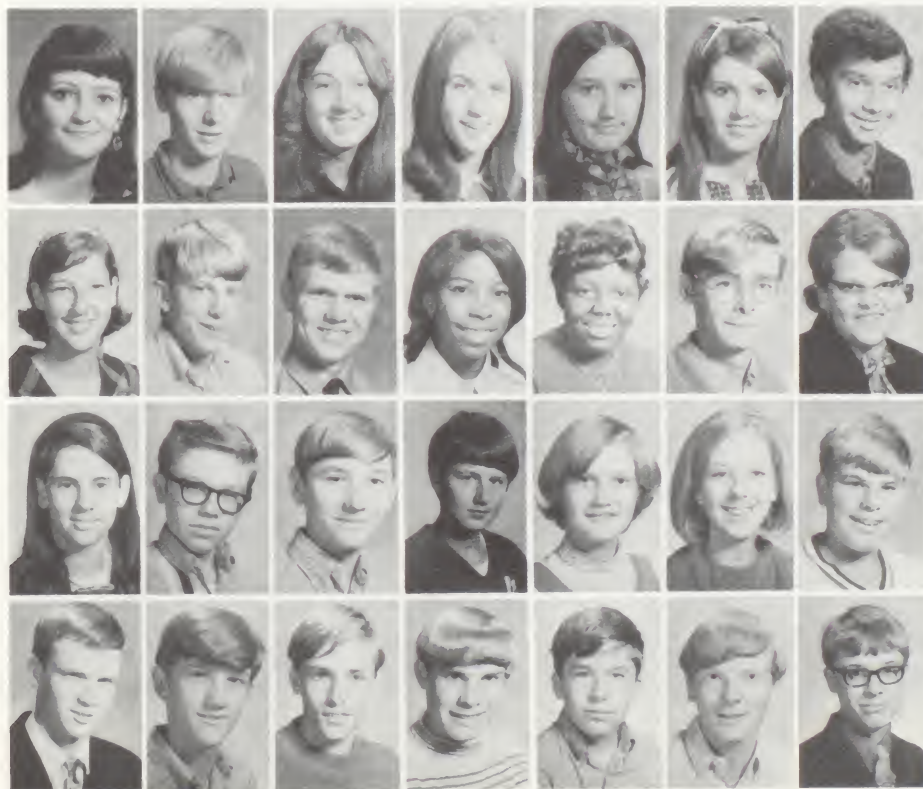

Led by president Ronnie Colvin, the sophomore class of '72 out cheered all the other classes to earn the title, "the most spirited class."

This year the sophomores sold nutty buddies, chuckwagons, and peanut brittle in order to raise money for the prom of '71.

Hot sophomore sport stars include Tommy Vandover, tennis, Mark Inman, basketball, Alan Parris, track, Mike Ellis and Pat Bryant, football.

Besides exceeding in sports the class of '72 was well represented academically by William Wagner and David Brownstein, sophomore members of the Hi-Q team.

With a complete sellout, Sophomores crowd together for the Sectional games.

Freshman Brooks Buckles soon learns the fast pace at JHS with 30 minutes for lunch.

'Crickets' Enter JHS

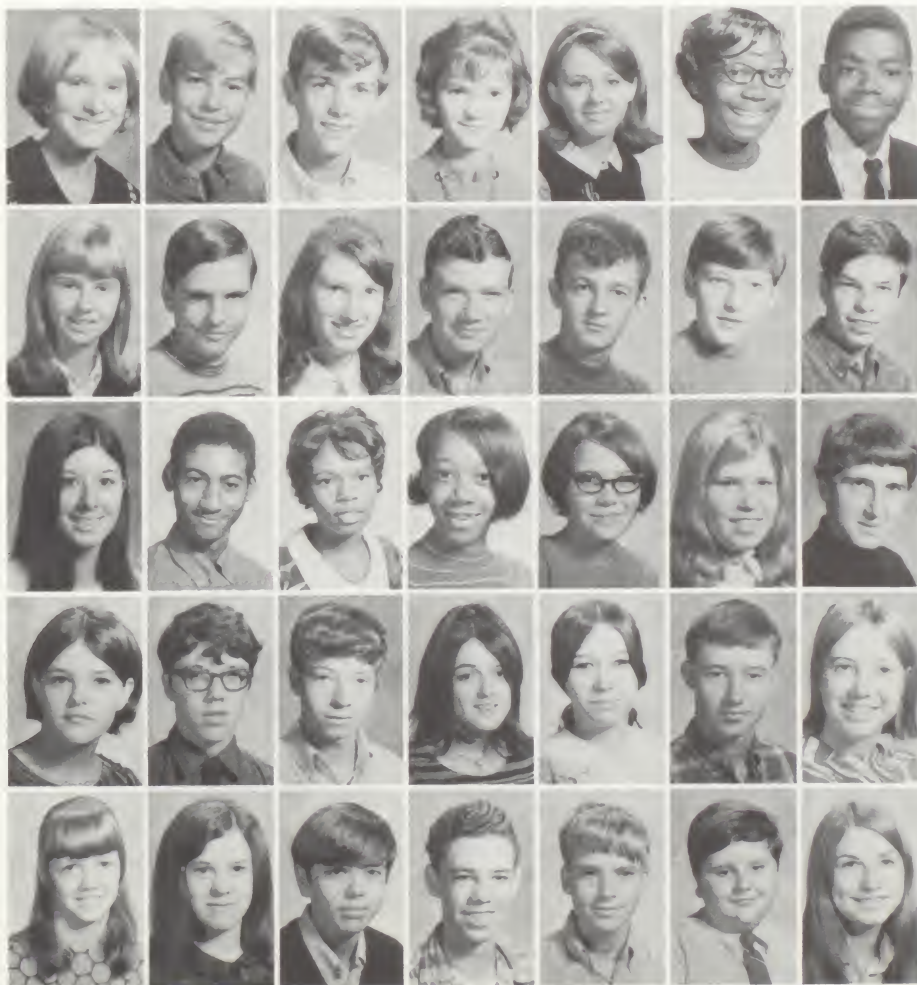

Discover New Ideas

A new place, new people, new ideas, and new experiences greeted the freshmen when they entered the halls of JHS.

Politics played a big part in the freshmen's activities since this was their first high school election. The 'crickets' elected Johnny Kendricks as their president and Vince Vissing as the vice-president.

This was a good year for the freshmen. They won the spirit jug and spirit stick several times and everytime the roar of victory was a little louder.

Next year the 'crickets' will follow the tradition as Sophomores with new ideas.

One Step at a Time, but Always Forward

Special moment . . . Some we remember better than others, such as that important game we wanted so much to win, field trips, parties, proms and picnics, and friendliness of students and teachers, the thrill of being a senior, and at last the wonderful feeling of accomplishment when that coveted diploma is placed in our hands.

The spirit of Jeffersonville included these things and many more. There are those intangible qualities which many times do not manifest themselves until we are away from school . . . that longing to see her campus just once again, to stroll down the corridor, to talk to old friends.

It is our earnest wish that higher achievements will be attained by future generations and that traditions and standards of our school will ever be upheld and guarded as the most important goals.

Will We Find It?

Ever onward, never upward—
Looking downward, pressing
groundward—

Roads before us, roads behind us,

Winds whisk past us,

Never mind us;

Never ask us

Whither goest thou?

Coming nowhere,

Going nohow,

Sun shines down; we know no
cover.

Where we go we may discover—

Will we find it?

Will we find it?

Seeking nothing—

Will we find it?
